DEDICATION

We, the Senior class of 1963, dedicate this yearbook to Mr. Donald Harlan. We deeply appreciate the time he has spent helping our class in his two years of advising us. His help to us during our Junior year was invaluable. Without his support our Prom would not have been the success that it was.

The unanimous Declaration

ADMINISTRATION

BOARD OF EDUCATION

T. Clement, V. McMunn, R. McGregor, C. Sharer, R. Williams, R. Cox, E. DeLano, H. Willett.

We wish to express our sincere appreciation to the Board of Education
for the continued cooperation and support shown to the student body
and for their efforts to build a worthwhile educational program.

Ross Cox, Superintendent

As you bid farewell to Sand Creek High School and look with confidence and hope to the future, may I wish you happiness. Go forth with courage and determination, for each human being has a gift, a talent, somewhere in the depth of his being which is his special contribution to life. Much will be required of you but in you we place our faith, hope, and trust.

- Ross Cox, Superintendent

ADMINISTRATION

Ronald Lahman, Principal

I want to take this opportunity to congratulate the graduating class of 1963. It has been a real pleasure to work with each of you during the past few years.

As each of you continue your chosen field in the years to come, I hope you will be able to recall many experiences from your school days that are pleasant and full of meaning.

Some will tell you that your school years have been a preparation for life; others will say it is very much a part of life; each and every day. Regardless of how you look at it, everyone has wanted this to be a memorable and enriching experience for you. I know it has been all of this and more.

- Ronald Lahman, Principal
